FOR IMMEDIATE RELEASE

Corporate Translations Opens Office in Turkey.

Corporate Translations Continues to Answer Demand for International Operations by Expanding their Global Footprint in Turkey.

East Hartford, August 2, 2010 – Corporate Translations, a leading provider of translation and linguistic validation solutions to the pharmaceutical, biotech, and medical device industries has announced the opening of its second international office in Eskişehir, Turkey.

Headquartered in East Hartford, CT, with a second U.S. location in Chicago, IL, Corporate Translations' addition of the Turkey production site will provide clients with 24/5 customer service and access to Corporate Translations' full array of services and solutions including translation, linguistic validation, and multilingual desktop publishing.

Turkey's rapidly growing economy has made it a prime location for some of the world's leading pharmaceutical companies including Abbott International, Allergan, AstraZeneca, Boehringer Ingelheim, Pfizer and Bristol-Myers Squibb. Eskişehir is located about two hours outside of Turkey's capital city of Ankara. The new office will enable Corporate Translations to provide a local point of contact for all existing clients in Turkey and in other bordering countries. "The intent of this expansion is to strengthen our existing international relationships and to create new relationships while providing our global partners with round-the-clock access to our services," says Mary Gawlicki, Founder and President of Corporate Translations.

The Eskişehir Turkey office is located at:
