

CORPORATE TRANSLATIONS IS ON THE MOVE

Corporate Translations is pleased to announce the upcoming relocation of our U.S. headquarters. The office will remain in East Hartford, Connecticut, however it will be relocated to the newly renovated complex at 101 East River Drive as of May 1st. Main office and direct phone numbers will remain unchanged. During the move, our office will remain open and continue uninterrupted service for all of our clients.

Over the last few years our company has experienced tremendous growth. In order to keep up with this continued expansion of our business, additional new service offerings, technology and increases in staff, it was time to relocate to a new and larger facility. The move will double our current square footage, accommodating our current needs and expected future growth.

In addition, because our employees are very important to us, this new facility will also feature additional amenities for our staff including: state of the art training and conference rooms, the latest in workstation technology, covered parking, a brand new dining facility, a gym and a private mother's room.

As we continue to grow, this investment will help solidify our commitment to the local community, ensure our ability to retain and attract the highest caliber in staffing as well as enable us to continue to produce highest quality language solutions for our clients and their ever-expanding needs.
